

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

6 July 1988

NOTE TO NIO/CT

Attached please find a format for the NFIB paper we are putting together. The complete package will consist of a cover letter and three issue paper attachments. Your contribution will be "Issue III." Fritz just found out that the DCI will not be available on 14 July. He still would like to have the package ready the middle of next week. I would appreciate your input by COB Tuesday.

Note that the format includes a brief factual statement of the problem and then presents a number of "Key Questions." Issue I does not require as extensive treatment as Issue II. Try to keep your attachment to the length of the format. If it can be presented more succinctly, all the better.

Carl W. Ford, Jr.

*Change #2
NFIB scheduled for 13 July. I
will need your input by NOON tomorrow
7 July.*
